

Explore Colombia!

Are you interested in exploring how cultural, socioeconomic, and political factors influence healthcare, health outcomes as well as environmental sustainability in Latin America?

If so, please join the Fairbanks School of Public Health at an information session highlighting the opportunities in the summer 2020 study abroad program:

Colombia: Public Health & Global Health Sustainability

Tuesday, January 28, 2020
3:00 - 4:00 PM
Cavanaugh Hall 211

For additional information contact:
Leah Jansen at lwissel@iupui.edu.
