

# Natalie A. DiPietro Mager, PharmD, MPH

## EDUCATION

1995-2001	Doctor of Pharmacy	Raabe College of Pharmacy Ohio Northern University Ada, OH
2004-2006	Master of Public Health, Epidemiology (concentration)	School of Medicine Indiana University Indianapolis, IN
2016-present	Doctor of Philosophy student, Epidemiology (major area) Health Informatics (minor area)	Fairbanks School of Public Health Indiana University Indianapolis, IN

## CURRENT LICENSURE AND CERTIFICATES

2001-present	Ohio Pharmacist License
2015-present	American Pharmacists Association Pharmacy-Based Immunization Delivery
2015-present	American Heart Association Basic Life Support for Healthcare Providers

## PROFESSIONAL EXPERIENCES

7/2007- present	Ohio Northern University, Raabe College of Pharmacy, Ada, OH
8/2013- present	Associate Professor of Pharmacy Practice (tenured)
7/2007- 7/2013	Assistant Professor of Pharmacy Practice (tenure-track)  Course responsibilities include teaching in the areas of pharmacy administration, epidemiology, public health, preventive medicine, women's health, global health, drug safety, and pharmacy professionalism. Also serve as mentor for students completing research projects and as a preceptor for students completing Advanced Pharmacy Practice Experiences in education. Research interests include the role of the pharmacist in public health, women's health, and maternal and child health epidemiology.

- 6/2001-  
6/2007 Eli Lilly and Company, Indianapolis, IN
- 9/2004-  
6/2007 Global Product Safety, Global Regulatory Affairs  
Neuroscience Team dedicated to pharmacovigilance and pharmacoepidemiology with the goal of ensuring the safe use of pharmaceutical products, including
- proactive identification, evaluation, and reporting of potential safety signals of marketed neuroscience products.
  - providing safety-related information to regulatory agencies worldwide.
  - participation in the development and implementation of risk management plans and observational studies.
- 6/2002-  
9/2004 Clinical Development, Lilly Research Laboratories  
Ruboxistaurin Global Brand Development Team charged with developing ruboxistaurin mesylate, a PKC  $\beta$  Inhibitor, in Phase 3 clinical development for the microvascular complications of diabetes. Major responsibilities included:
- coordinating the development of the clinical plan for the compound.
  - leading cross-functional teams in development of four clinical trial protocols.
- 6/2001-  
6/2002 Visiting Scientist, Lilly Centre for Women's Health, Eli Lilly and Company  
Fellowship program directed to understanding the clinical drug development process with a concentration in women's health and diseases that disproportionately or differentially affect women
- Fall 2006 Indiana University School of Medicine, Department of Public Health, Indianapolis, IN  
Adjunct Assistant Professor  
Instructor for course "Epidemiology Research Methods", a graduate course for Master of Public Health students concentrating in epidemiology
- Fall 2006;  
Spring 2002 Butler University, College of Pharmacy and Health Sciences, Indianapolis, IN  
Adjunct Assistant Professor  
Instructor for team-taught course "Clinical Drug Development: A Regulatory Review" for pharmacy and graduate students

- WLIO television station. Interviewed regarding National Women's Health Week. April 2009.
- The Quill. Consulted for article *Protecting women's health: How smart choices and deliberate actions can lead to a longer, healthier life.* Spring 2008.
- The Lima News. Quoted in article *Help for those who have crossed the thin line.* October 2008.

## **PEER REVIEW** (ad hoc)

Manuscripts for the following journals:

- American Journal of Health-System Pharmacy
- American Journal of Pharmaceutical Education
  - *Guest editor*, theme issue on public health and pharmacy (Volume 80, Issue 2)
- Annals of Pharmacotherapy
- Innovations in Pharmacy
- Journal of the American Pharmacists Association
- Journal of Epidemiology and Global Health
- Journal of Pharmacy Practice
- Pharmacy Practice
- Preventing Chronic Disease
- Women's Health Issues

Abstracts for presentation at conferences for the following organizations:

- American Association of Colleges of Pharmacy
- American Pharmacists Association
- American Public Health Association

Book chapter(s) for the following textbooks:

- Clinical epidemiology: Principles, methods, and applications for clinical research
- The pharmacist in public health: Education, applications, and opportunities
- Patient assessment in pharmacy: A culturally competent approach
- Pharmacy management, leadership, marketing and finance (1<sup>st</sup> and 2<sup>nd</sup> editions)
- Professionalism and clinical responsibility in pharmacy

Grant applications for the following organizations:

- American Association of Colleges of Pharmacy New Investigator Program
- Association for Prevention Teaching and Research Social Determinants of Health Case Study Development Project

### **SELECTED PROFESSIONAL AFFILIATIONS**

- American Association of Colleges of Pharmacy 2007-present
  - *Immediate Past Chair and Nominations Committee Chair*, Public Health Special Interest Group, 2015-2016
  - *Chair*, Public Health Special Interest Group, 2014-2015
  - *Chair-elect and Program Committee Chair*, Public Health Special Interest Group, 2013-2014
- American Pharmacists Association 1995-present
- American Public Health Association 2005-present
  - *Co-Chair*, Pharmacy Special Primary Interest Group, 2017-present
- Ohio Pharmacists Association 2007-present
- Ohio Public Health Association 2010-present
  - *President-Elect*, 2017-present
  - *Immediate Past Chair*, Clinical Health Section, 2017-present
  - *Chair*, Clinical Health Section, 2016-2017
  - *Co-founder and Vice-chair*, Clinical Health Section, 2013-2016
  - Ohio Public Health Combined Conference Planning Committee, 2014-present
  - Executive Director Search Committee, 2017-present
  - Awards Committee, 2014

### **SELECTED TASK FORCE APPOINTMENTS**

- Association for Prevention Teaching and Research Healthy People Curriculum Task Force, 2016-present
- Ohio Collaborative to Prevent Infant Mortality, 2014-present
- Reproductive Health Pharmacy School Curriculum Workgroup, 2008-2009
- Indiana Perinatal Network Advisory Committee, 2005-2006

## SELECTED RECOGNITIONS AND AWARDS

- Walmart Scholar Faculty Mentor, American Association of Colleges of Pharmacy, 2017
- William L. Robinson Young Alumni of the Year Award, Ohio Northern University, 2015
- Mortar Board Aurora Chapter Favorite Professor Recognition, 2013, 2012, 2011, 2008
- Innovations in Teaching Award, American Association of Colleges of Pharmacy, 2013
- National Continued Excellence Award, Kappa Epsilon, 2013
- Katherine F. Karas Innovations in Teaching Award, Ohio Northern University, 2012
- Young Public Health Professional of the Year Award, Ohio Public Health Association, 2011
- Presentation Merit Award, American Pharmacists Association-Academy of Pharmacy Practice and Management, 2011
- Phi Lambda Sigma (*pharmacy leadership society*), 2008
- Outstanding Faculty Member of the Year, Ohio Northern University, 2007-2008 (*awarded*); 2013-2014 (*nominated*)

- National Education and Leadership Award, Order Sons of Italy in America, 1995
- National Science Foundation Young Scholar, Carnegie Mellon University, 1994
- National Science Foundation Young Scholar, St. Vincent College, 1992

## SELECTED COLLEGE SERVICE

- Faculty Advisor, Pharmacy and Wellness Review: 2011-present
- College of Pharmacy Research Committee (elected by College of Pharmacy faculty): 2015-present
- College of Pharmacy Faculty Search Committee (appointed by chair of Pharmacy Practice Department): 2014-2016
- College of Pharmacy Academic Affairs Committee (appointed due to election to University Council): 2014-2016
- Faculty Advisor, Kappa Epsilon Professional Pharmacy Fraternity, Psi Chapter: 2007-2015

- College of Pharmacy ACPE Standards Self-Study Steering Committee (appointed by dean of the College of Pharmacy): 2013-2015
- College of Pharmacy Faculty Affairs Committee (elected by College of Pharmacy faculty): 2009-2013
- College of Pharmacy Faculty Search Committee (appointed by chair of Pharmacy Practice Department): 2011-2012
- College of Pharmacy Assessment Committee (elected by College of Pharmacy faculty): 2007-2008
- College of Pharmacy Disabilities Accommodations Appeal Committee (elected by College of Pharmacy faculty): 2007-2008
- College of Pharmacy ACPE Standards for Students Self-Study Committee (appointed by chair of Pharmacy Practice Department): 2007-2009
- College of Pharmacy Academic Affairs Committee (elected by College of Pharmacy faculty): 2008-2010

### **SELECTED UNIVERSITY SERVICE**

- University Committee on Academic Conduct: (elected by University faculty): 2017-present
- Undergraduate Faculty Promotion and Tenure Appeals Committee (elected by University faculty): 2016-2017; 2017-present, *Chair*
- Data Analytics Minor Committee (appointed by director of the Center for Interdisciplinary Studies): 2016-2017
- Public Health Steering Committee (appointed by University president): 2014-present
- Public Health Faculty Search Committee (appointed by director of the Center for Interdisciplinary Studies): 2016-2017
- External Grant Release Time Committee (appointed by University provost): 2015-2016
- University Council (elected by University faculty): 2014-2016; Election sub-committee: 2016
- Interprofessional Education Committee, *Chair* (appointed by the dean of the College of Pharmacy): 2012-2014; member: 2014-2015
- Reforming University Governance Strategic Plan Work Group (appointed by University president): 2013-2014
- Keiser Distinguished Lectureship in Life Sciences Committee (appointed by the Chair of the Department of Biological & Allied Health Sciences): 2011-2015
- University Committee on Academic Conduct (elected by University faculty): 2011-2013
- President Search Committee (appointed by Board of Trustees): 2010-2011
- University Semester Transition Coordinating Committee, *Secretary* (appointed by University president): 2008-2011
- University Academic Affairs Committee (elected by College of Pharmacy faculty): 2008-2010
- Vice President for Academic Affairs Search Committee (appointed by University President): 2008-2009
- Faculty Advisor, ONU Healthcare Business Professionals Club: 2008-2011
- Faculty Advisor, Alpha Xi Delta National Fraternity, Gamma Tau Chapter: 2007-2010

### **SELECTED VOLUNTEER ACTIVITIES**

- Friends of the Ada Public Library: 2013-present

- Ada Kiwanis, *Scholarship Chair*: 2008-2010
- ONU Women: 2007-2008
- Ohio Northern University Raabe College of Pharmacy Advisory Board: 2005-2007
- Girls, Inc and/or other youth mentoring programs: 2001-2007

## RESEARCH SUPPORT

### *Ongoing Research Support*

Health Resources and Services Administration                      Martin S (PI)                      2015  
 Multidisciplinary rural mobile clinic using student health care professionals  
*Goal: To increase provision of primary health care in Hardin County, a federally-designated Primary Medical Care Health Professional Shortage Area, through use of a mobile clinic staffed by healthcare professionals and students*  
 Role: Co-principal investigator                      Funded: \$571,633

### *Completed Research Support*

Community Pharmacy Foundation                      DiPietro Mager NA (PI)                      2015  
 Pharmacist provision of preconception care through medication therapy management.  
*Goal: To demonstrate the impact pharmacists can have in providing elements of preconception care through the medication therapy management model*  
 Role: Principal investigator                      Funded: \$51,442  
*An additional \$15,000 funded by CareSource; in-kind donations supplied by CareSource & OutcomesMTM*

John Snow, Inc.                      DiPietro NA (PI)                      2011  
 Heart-to-heart for women's health  
*Goal: To develop educational and interventional programs for women in northwest Ohio during National Women's Health Week.*  
 Role: Principal investigator                      Funded: \$2,100

Ohio PACE                      Roecker AR (PI)                      2010  
 Improving patient adherence – Tools for success  
*Goal: To educate physicians, pharmacists, and nurses about strategies to improve medication adherence.*  
 Role: Co-principal investigator                      Funded: \$73,950

Faculty Development Grant, Ohio Northern University      Finley KN (PI)                      2009  
 Heart-to-heart: Prevention and management of cardiovascular disease in women  
*Goal: To initiate an educational program about cardiovascular disease for female patients at Allen County Health Partners, an indigent care clinic in Lima, Ohio.*  
 Role: Co-principal investigator                      Funded: \$500
