Got Drugs?

DRUG TAKE BACK DAY

*Turn in unused or expired medication for safe disposal at the Drug Take Back*

---

**Tuesday, April 3 | 9am to 2pm**

IUPUI Campus Center Atrium

420 University Blvd, Indianapolis, IN 46202

The Center for Public Health Practice is hosting its semi-annual Drug Take Back Day on April 3, in recognition of National Public Health Week!

Drug Take Back Day provides a safe, convenient, and responsible method for disposing of prescription drugs and medications. Flushing, and even trashing them, can harm the environment and contaminate waterways.

In partnership with campus security, we will accept:

- prescription drugs
- controlled substances
- over-the-counter medications
- veterinary medications

Please deliver all items in a bag.

No sharps will be accepted at this time.

All medications collected will be considered anonymous and will be incinerated by the Drug Enforcement Administration (DEA) following the event.

Drop off your unused prescription drugs and be entered to win two Indianapolis Indians’ box seat tickets!
