

2015 IU Workplace Health & Wellness Survey – IU Overall (2013 weights)

Due to rounding, percentages throughout the document may not always add up to 100%.

What are our demographics?

First, please answer just a few questions about you. These questions will help us know whether employees who complete the survey represent all groups of IU employees. We will also be able to better understand the health needs of different groups of employees - like staff, faculty, men, or women.

1. Please select the campus with which you are most closely affiliated.

46.9% IU Bloomington	1.7% IU Kokomo
39.4% IUPUI, Indianapolis	2.1% IU Northwest, Gary
0.9% IUPUC, Columbus	3.6% IU South Bend
2.0% IU East, Richmond	3.4% IU Southeast, New Albany

2. What is your general employee classification type?

STAFF APPOINTMENTS

45.0% Staff - Professional
19.1% Staff – Clerical
3.6% Staff – Technician
0.8% Staff – Nursing
6.3% Staff – Service/Maintenance
0.3% Staff – Law Enforcement

ACADEMIC APPOINTMENTS

8.5% Faculty or Librarian, Tenured
3.8% Faculty or Librarian, Tenure Track
8.4% Faculty or Librarian, Non-Tenure Track
3.1% Research Appointment (Research Associates, Post-Docs, Scientists)
1.0% Other Academic Rank

3. What time of day do you typically work?

95.0% Mostly daytime (1 st shift)
2.0% Mostly evening (2 nd shift)
1.4% Mostly overnight (3 rd shift)
1.5% Rotating shifts

4. What is your sex?

68.4% Female
31.6% Male

5. Are you Hispanic or Latino?
- 2.7% Yes
 - 96.5% No
 - 0.8% Don't know/not sure
6. Which one of these groups would you say best represents your race?
- 88.8% White
 - 5.6% Black or African American
 - 3.2% Asian
 - 0.1% Native Hawaiian or Other Pacific Islander
 - 0.3% American Indian or Alaska Native
 - 2.0% Two or more races
7. What is the highest level or year of school you completed?
- 0.3% Grade 11 or less
 - 5.5% Grade 12 or GED (High school graduate)
 - 11.1% Some college or technical school
 - 6.7% Associate's degree
 - 28.2% Bachelor's degree
 - 25.9% Master's degree
 - 22.4% Professional or doctoral degree
8. What is your age group?
- 1.6% 18-24 years
 - 18.5% 25-34 years
 - 22.4% 35-44 years
 - 26.3% 45-54 years
 - 26.5% 55-64 years
 - 4.6% 65+

How healthy are our IU workplaces?

Our workplaces can encourage or discourage healthy choices and healthy lives. The following set of questions will help us take a closer look at our IU workplaces and how well they support the health of employees. When we say “your workplace,” we mean the building(s) where you usually work and places nearby that you can get to easily.

9. Overall, how safe do you think your workplace is? Please rate on a scale of 1-10 by circling the number.

	0.2%	0.6%	1.7%	2.2%	4.3%	5.3%	14.0%	26.4%	27.6%	17.6%
	1	2	3	4	5	6	7	8	9	10
Extremely unsafe										Extremely Safe

10. Overall, how supportive is Indiana University of your personal health? Please rate on a scale of 1-10 by circling the number.

	1.0%	1.3%	2.6%	3.3%	8.0%	10.5%	18.5%	23.6%	18.1%	13.0%
	1	2	3	4	5	6	7	8	9	10
Extremely unsupportive										Extremely supportive

11. To what extent do you agree with the following statements?

	Strongly Disagree	Disagree	Neutral	Agree	Strongly Agree
The people you work with take a personal interest in you.	2.6%	7.6%	18.0%	51.6%	20.3%
In your workplace, your co-workers support your efforts to be healthy.	1.9%	6.9%	28.8%	45.3%	17.1%
Your supervisor is concerned about the welfare of those under him or her.	4.0%	6.9%	17.5%	42.1%	29.5%
In your workplace, management considers workplace health and safety to be important.	3.3%	7.9%	24.0%	43.8%	20.9%
IU has provided you with the opportunity to be physically active.	4.0%	12.7%	25.1%	41.6%	16.6%
IU has provided you with the opportunity to eat a healthy diet.	5.5%	17.1%	38.6%	30.5%	8.3%
IU has provided you with the opportunity to live tobacco free.	1.2%	3.1%	12.3%	41.2%	42.3%
IU has provided you with the opportunity to manage your stress.	6.9%	16.1%	34.1%	34.5%	8.4%
IU has provided you with the opportunity to work safely.	1.6%	4.2%	17.6%	55.3%	21.3%

12. Are the following programs or resources currently available at your workplace? When we say “your workplace,” we mean the building(s) where you usually work and places nearby that you can get to easily.

Resource	Available? 			IF YES: In the past year (12 months) <i>did you use them?</i>	
	Yes	No	Don't know/ not sure	Yes	No
Access to clean, drinkable water	89.5%	6.1%	4.3%	96.6% (97.5%)	3.4% (2.5%)
Opportunities to buy fresh fruits and vegetables	45.0%	42.9%	12.1%	70.7% (79.3%)	29.3% (20.7%)
Healthy food options in vending machines	23.7%	49.4%	26.9%	56.4% (63.2%)	43.6% (36.8%)
Healthy food options to purchase in the cafeteria or other food service	56.9%	28.0%	15.1%	80.0% (77.8%)	20.0% (22.2%)
1-on-1 nutritional counseling	28.0%	32.0%	40.0%	27.7% (40.2%)	72.3% (59.8%)
Stress management or stress reduction classes/programs	35.6%	29.3%	35.1%	23.9% (55.1%)	76.1% (44.9%)
A convenient place to work out or exercise	42.6%	47.7%	9.7%	54.7% (80.7%)	45.3% (19.3%)
A place to bike or walk	79.4%	14.9%	5.7%	72.2% (77.8%)	27.8% (22.2%)
A walking program	39.7%	31.6%	28.7%	35.2% (54.6%)	64.8% (45.4%)
Ergonomics (work station or computer setup, proper lifting, etc.)	49.8%	35.0%	15.2%	63.8% (84.2%)	36.2% (15.8%)
Flu shots at work	83.1%	7.8%	9.0%	65.5% (45.6%)	34.5% (54.4%)
Employee Assistance Program (access to professional counseling)	63.9%	9.3%	26.8%	12.6% (38.9%)	87.4% (61.1%)
Programs to help people stop smoking				--	--
ALL IU	62.5%	5.8%	31.8%		
CURRENT SMOKERS ONLY	82.2%	5.8%	12.0%	22.2% (28.8%)	77.8% (71.2%)
Healthy weight/weight loss programs	42.7%	18.5%	38.8%	21.0% (51.1%)	79.0% (48.9%)
Blood pressure monitoring device available for self-assessment	36.9%	32.7%	30.4%	42.0% (55.1%)	58.0% (44.9%)
A true smoke-free workplace	72.0%	23.1%	4.9%		
A private area/lactation room for moms who are breast-feeding					
ALL IU	35.5%	19.4%	45.1%		
WOMEN AGED 18-44 YEARS	42.3%	23.5%	34.2%		
Signs that encourage stair use	23.3%	56.6%	20.1%		
Markers that identify walking trails	17.5%	52.8%	29.7%		

2015 - IU OVERALL

Easy to access maps of walking trails	19.0%	50.6%	30.4%	
A designated person who communicates health and wellness information to your work group	26.1%	50.9%	22.9%	

13. If you have any suggestions about specific ways in which your workplace could be more supportive of health, please feel free to tell us about them in the space provided. Otherwise, you can leave this space blank.

Analysis of employee qualitative responses is being conducted separately.

How healthy are we?

In the next section, we're going to ask some questions that will help us better understand the advantages and challenges to health in our community of IU employees.

Health in General

14. Would you say that in general your health is ---

- 12.2% Excellent
- 39.2% Very good
- 37.9% Good
- 9.5% Fair
- 1.2% Poor

15. Now thinking about your *physical health*, which includes physical illness and injury, were there any days during the past 30 days when your physical health was not good?
- 64.7% No
 - 35.3% Yes (*Please enter number of days from 1-30*) _____
 - Average number of days in “yes” respondents = 7.7
 - Average number of days for all IU employees = 2.6
 - (n=152) Don’t know/not sure
16. Now thinking about your *mental health*, which includes stress, depression, and problems with emotions, were there any days during the past 30 days when your mental health was not good?
- 57.7% No
 - 42.3% Yes (*Please enter number of days from 1-30*) _____
 - Average number of days in “yes” respondents = 10.4
 - Average number of days in all IU employees = 4.2
 - (n=230) Don’t know/not sure
17. During the past 30 days, were there any days that poor physical or mental health kept you from doing your usual activities, such as self-care, work, or recreation?
- 69.4% No
 - 30.6% Yes (*Please enter number of days from 1-30*) _____
 - Average number of days in “yes” respondents = 6.9
 - Average number of days in all IU employees = 2.0
 - (n=119) Don’t know/not sure
18. How often do you get the social and emotional support you need? (Please include support from any source.)
- 18.7% Always
 - 43.8% Usually
 - 23.4% Sometimes
 - 10.0% Rarely
 - 4.2% Never

Stress

19.

	Always	Often	Sometimes	Hardly ever	Never
How often do you find your work stressful?	9.2%	33.0%	46.0%	10.9%	0.9%
How often do things going on at <u>work</u> make you feel tense and irritable at home?	4.3%	22.3%	40.9%	26.5%	5.9%
How often do things going on at <u>home</u> make you feel tense and irritable on the job?	1.1%	6.5%	33.5%	46.4%	12.4%
How often during the past month have you felt used up at the end of the day?	11.2%	36.2%	33.7%	14.7%	4.2%

20. All in all, how satisfied would you say you are with your job?

- 27.4% Very satisfied
- 55.6% Satisfied
- 14.1% Dissatisfied
- 2.8% Very dissatisfied

21. During the past year, how much effect has stress (from all sources at work or at home) had on your health?

- 17.4% A lot
- 51.5% Some
- 26.7% Hardly any
- 4.5% None

Lifestyle

22. How often do you get enough restful sleep to function well in your job and personal life?

- 5.3% Always
- 51.5% Most of the time
- 31.1% Sometimes
- 11.2% Rarely
- 0.9% Never
- (n=5) Don't know/not sure

23. How would you describe your cigarette smoking habits?

72.3% Never smoked ... *(Skip to question 25)*

24.1% Used to smoke ... *(Skip to question 25)*

3.6% Currently smoke ... *(Go to next question)*

24. During the past 12 months, have you stopped smoking for one day or longer because you were trying to quit smoking?

46.3% Yes

53.7% No

(n=0) Don't know/not sure

25. During the past month, did you participate in any physical activities or exercises such as running, calisthenics, golf, gardening, or walking for exercise?

87.9% Yes

12.1% No

(n=23) Don't know/not sure

26. In the average week, how many days do you engage in **vigorous physical activity** (exercise or work) that is hard enough to make you breathe heavily and make your heart beat faster --- for at least 20 minutes? Examples include running, brisk walking or heavy labor such as chopping, lifting, or digging.

None	1	2	3	4	5	6	7	Don't know / not sure
18.7%	14.3%	15.8%	20.0%	11.5%	11.0%	4.8%	3.8%	<i>(n=81)</i>

27. In the average week, how many days do you get 30 minutes or more (for at least 10 minutes at a time) of **moderate physical activity**? Examples include walking, pushing a lawn mower, or slow cycling.

None	1	2	3	4	5	6	7	Don't know / not sure
8.4%	8.7%	15.5%	17.1%	13.8%	16.6%	8.4%	11.7%	<i>(n=51)</i>

28. In the average week, how many days do you do **physical activities or exercises to strengthen your muscles**? Count activities using your own body weight like yoga, sit-ups, push-ups and those using weight machines, free weights or elastic bands. Do not count aerobic activities like walking, running, or bicycling.

None	1	2	3	4	5	6	7	Don't know / not sure
37.6%	13.6%	16.5%	14.2%	7.3%	5.6%	3.0%	2.3%	(n=70)

Calculated Variables:

Percent meeting aerobic activity guidelines: 66.2%

Percent meeting strength training guidelines: 48.8%

Percent meeting both aerobic and strength training guidelines: 42.6%

To what extent do you agree with the following statement?

29. My job regularly requires me to perform repetitive or forceful hand movements.

15.6% Strongly disagree

29.3% Disagree

38.4% Agree

16.7% Strongly agree

30. On a scale from 1 to 5, with 1 meaning “no impact” and 5 meaning “a great impact,” how much of an impact do the following factors typically have on your choice of food and beverages during your work hours?

	No Impact				A Great Impact
Taste	3.1%	3.2%	12.9%	32.3%	48.5%
Price	5.4%	7.9%	20.6%	28.6%	37.4%
Healthfulness	2.8%	5.7%	25.3%	38.8%	27.4%
Convenience	3.5%	5.8%	19.2%	37.8%	33.7%
Sustainability (food is produced in an environmentally sustainable way)	25.6%	22.6%	28.1%	15.5%	8.2%

31. Think about a usual week. Over the course of most days of the week, whether at home or at work, how much time do you spend sitting?

2.6% Almost none of the time

13.2% Approximately $\frac{1}{4}$ of the time

26.0% Approximately $\frac{1}{2}$ of the time

43.9% Approximately $\frac{3}{4}$ of the time

14.3% Almost all the time

32. When you are at work, which of the following best describes you?

- 82.2%** Mostly sitting ... *(Go to next question)*
- 7.0%** Mostly standing ... *(Skip to question 34)*
- 7.8%** Mostly walking ... *(Skip to question 34)*
- 3.0%** Mostly heavy labor or physically demanding work ... *(Skip to question 34)*

33. During a usual 8 hour work day, about how many times are you able to get up and move around for any reason, such as walking to a meeting room, the photocopier, the restroom...or just to stand up and stretch?

- 2.7%** 0-2 times
- 24.4%** 3-5 times
- 24.0%** 6-7 times
- 48.9%** 8 or more times

Preventive Services

34. About how long has it been since you last visited a doctor for a routine checkup? (A routine checkup is a general physical exam, not an exam for a specific injury, illness, or condition.)

- 69.9%** Within past year (anytime less than 12 months ago)
- 14.6%** Within past 2 years (at least one year but less than 2 years ago)
- 8.1%** Within past 5 years (at least 2 years, but less than 5 years ago)
- 6.1%** Five or more years ago
- 1.2%** Never
- (n=90)* Don't know/not sure

35. When did you last have your blood pressure checked by a health professional?

- 91.6%** Within past year (anytime less than 12 months ago)
- 8.2%** More than 12 months ago
- 0.3%** Never
- (n=57)* Don't know/not sure

36. When did you last have a cholesterol test?

- 75.2%** Within past year (anytime less than 12 months ago)
- 13.8%** Within past 2 years (at least one year but less than 2 years ago)
- 6.5%** Within past 5 years (at least 2 years, but less than 5 years ago)
- 1.9%** Five or more years ago
- 2.6%** Never

(n=175) Don't know/not sure

37. Have you had a lab test for high blood sugar or diabetes within the past three years?

79.1% Yes

20.9% No

(n=286) Don't know/not sure

38. During the past 12 months, have you had either a seasonal flu shot or a seasonal flu vaccine that was sprayed in your nose?

59.0% Yes

41.0% No

(n=9) Don't know/not sure

Health Conditions

In this section, you'll be skipping some questions that don't apply to you. After you mark your answer, just follow the directions in *italics* right beside your answer choice to know which question to answer next.

39. Have you EVER been told by a doctor, nurse, or other health professional that you have **high blood pressure**?

24.9% Yes ... *(Go to next question)*

1.9% Yes, but female told only during pregnancy ... *(Skip to question 42)*

59.3% No ... *(Skip to question 42)*

14.0% Told borderline high or pre-hypertensive ... *(Skip to question 42)*

(n=30) Don't know/not sure ... *(Skip to question 42)*

40. Have you EVER done any of these things to help manage your high blood pressure? (Mark all that apply.)

43.1% Read info on the internet

4.2% Taken a class or course

61.9% Increased physical activity

62.4% Changed what/how you eat

68.9% Lost weight or attempted to lose weight

86.0% Taken prescription medication

10.2% Used some form of alternative medicine

48.1% Regularly checked blood pressure at home with a home-monitoring device

1.4% No, I have not done any of these things

41. Are you currently taking prescription medicine for high blood pressure?

80.4% Yes

19.6% No

(n=3) Don't know/not sure

42. Have you EVER been told by a doctor, nurse, or other health professional that your **blood cholesterol is high**?

39.3% Yes ... *(Go to next question)*

60.7% No ... *(Skip to question 45)*

(n=73) Don't know/not sure ... *(Skip to question 45)*

43. Have you EVER done any of the things listed below to help manage your high cholesterol? (Mark all that apply.)

47.0% Read info on the internet

5.1% Taken a class or course

64.4% Increased physical activity

76.9% Changed what/how you eat

66.0% Lost weight or attempted to lose weight

51.1% Taken prescription medication

11.2% Used some form of alternative medicine

3.8% No, I have not done any of these things

44. Are you currently taking prescription medicine for high cholesterol?

43.1% Yes

56.9% No

(n=0) Don't know/not sure

45. Have you EVER been told by a doctor, nurse, or other health professional that you have **diabetes**?

6.5% Yes ... *(Go to next question)*

1.2% Yes, but female told only during pregnancy ... *(Skip to question 48)*

7.5% Told pre-diabetes or borderline diabetes ... *(Go to next question)*

84.8% No ... *(Skip to question 48)*

(n=14) Don't know/not sure ... *(Skip to question 48)*

46. Have you EVER done any of the things listed below to help manage your diabetes or pre-diabetes? (Mark all that apply.)
(Diabetes/Pre-Diabetes)

- 59.7%/57.5%** Read info on the internet
- 52.5%/23.0%** Taken a class or course
- 65.5%/65.0%** Increased physical activity
- 83.0%/76.9%** Changed what/how you eat
- 74.8%/73.3%** Lost weight or attempted to lose weight
- 94.8%/21.6%** Taken prescription medication
- 17.3%/6.7%** Used some form of alternative medicine
- 72.8%/17.1%** Regularly checked blood sugar at home with a glucose monitor
- 0.5%/6.0%** No, I have not done any of these things

47. Are you currently taking prescription medicine (pills or insulin) for diabetes?
(Diabetes/Pre-Diabetes)

- 92.6%/16.0%** Yes
- 7.4%/84.0%** No
- (n=1/n=1)* Don't know/not sure

48. Has a doctor, nurse, or other health professional EVER told you that you had **asthma**?

- 16.1%** Yes ... *(Go to next question)*
- 83.9%** No ... *(Skip to question 51)*
- (n=30)* Don't know/not sure ... *(Skip to question 51)*

49. Do you still have asthma?

- 65.2%** Yes ... *(Go to next question)*
- 34.8%** No ... *(Skip to question 51)*
- (n=77)* Don't know/not sure ... *(Skip to question 51)*

50. Do you currently have prescription medicine for asthma?

- 77.6%** Yes
- 22.4%** No
- (n=1)* Don't know/not sure

51. Arthritis can cause symptoms like pain, aching, or stiffness in or around a joint. Has a doctor, nurse, or other health professional EVER told you that you have some form of **arthritis**?

29.7% Yes ... *(Go to next question)*

70.3% No ... *(Skip to question 54)*

(n=44) Don't know/not sure ... *(Skip to question 54)*

52. Have you EVER done any of the things listed below to help manage your arthritis or joint symptoms? (Mark all that apply.)

49.6% Read info on the internet

2.7% Taken a class or course

54.1% Increased physical activity

51.0% Lost weight or attempted to lose weight

37.3% Had physical therapy

37.8% Taken prescription medication

27.3% Used some form of alternative medicine

9.5% No, I have not done any of these things

53. Are you now limited in any of your usual activities because of arthritis or joint symptoms?

40.9% Yes

59.1% No

(n=31) Don't know/not sure

54. Do you have **chronic or recurrent low back pain**?

30.8% Yes ... *(Go to next question)*

69.2% No ... *(Skip to question 57)*

(n=79) Don't know/not sure ... *(Skip to question 57)*

55. Have you EVER done any of the things listed below to help manage your chronic or recurrent low back pain? (Mark all that apply.)

- 51.8% Read info on the internet
- 8.6% Taken a class or course
- 62.8% Increased physical activity
- 50.6% Lost weight or attempted to lose weight
- 51.5% Had physical therapy
- 38.1% Taken prescription medication
- 30.3% Used some form of alternative medicine
- 6.9% No, I have not done any of these things

56. Are you currently taking prescription medicine for low back pain?

- 10.9% Yes
- 89.1% No
- (n=5) Don't know/not sure

57. Have you EVER been told by a doctor, nurse, or other health professional that you had a **depressive disorder** (including depression, major depression, or minor depression)?

- 24.8% Yes ... (*Go to next question*)
- 75.2% No ... (*Skip to question 60*)
- (n=65) Don't know/not sure ... (*Skip to question 60*)

58. Have you EVER done any of the things listed below to help manage your depression? (Mark all that apply.)

- 58.7% Read info on the internet
- 11.7% Taken a class or a course
- 77.9% Attended counseling/psychotherapy
- 86.3% Taken prescription medication
- 60.9% Increased physical activity
- 23.4% Used some form of alternative medicine
- 0.5% No, I have not done any of these things

59. Are you currently taking prescription medication for depression?

49.5% Yes

50.5% No

(n=3) Don't know/not sure

60. Have you EVER been told by a doctor, nurse, or other health professional that you have **heart disease** (heart attack, angina, bypass)?

3.5% Yes

96.5% No

(n=14) Don't know/not sure

61. Have you EVER been told by a doctor, nurse, or other health professional that you have **carpal tunnel** syndrome?

10.9% Yes

89.1% No

(n=42) Don't know/not sure

62. Are you experiencing any health problems that you think may be due to your physical surroundings at your workplace?

24.0% Yes ... *(Go to next question)*

76.0% No ... *(Skip to question 64)*

(n=439) Don't know/not sure ... *(Skip to question 64)*

63. Which of the factors below do you believe are contributing to these health problems? (Mark all that apply.)

17.0% Chemical odors

13.3% Other unpleasant odors

17.9% Overall cleanliness

66.1% Ergonomics (e.g., desk layout)

21.8% Lighting too dim/too bright

16.7% Loud noises

22.4% Mold

8.4% Pests

33.2% Temperature too hot/too cold

7.6% Tobacco smoke

Other (please specify) _____

- 1.7% Allergens
- 0.5% Asbestos
- 2.4% Culture is Unpleasant
- 2.6% Dust
- 2.2% General Air Quality

Is there more you want to tell us?

66. We've come to the last part of our survey! In the space provided, please feel free to share any other comments you may have about employee health and wellness at Indiana University. If you have no additional comments, please feel free to leave this space blank.

Analysis of employee qualitative responses is being conducted separately.

Thank you for participating in this important survey. In the Fall of 2015, results will be shared with all employees of Indiana University, and we hope you'll find that it was worthwhile to add your voice to this assessment of our workplace health and culture.
