

# Indiana State Loan Repayment Program (IN-SLRP)

December 2022

## Overview

The Indiana State Loan Repayment Program (IN-SLRP) is a workforce retention program that provides student loan repayment to health professionals to encourage the full-time delivery of primary care, mental, and dental healthcare services at practices located in federally designated [health professional shortage areas \(HPSAs\)](#) in Indiana. HPSAs are geographic areas, population groups, or healthcare facilities that have been designated by the Health Resources and Services Administration (HRSA) as having a shortage of health professionals.

IN-SLRP recipients can receive up to \$20,000 to repay their outstanding student loans in exchange for two years of service. Participants may reapply for the program once, for a total of **up to \$40,000 for four years of service.**

## Frequently Asked Questions

### Who is eligible to apply?

Providers who work in an eligible discipline must work in a federally designated [HSPA site](#) that corresponds to their training and/or discipline to qualify for IN-SLRP. Full eligibility information can be found [here](#).

### Are there additional participation requirements, other than a service commitment?

Yes. IN-SLRP participants will submit a total of 5 Provider Activity Reports (PARs) during their contract period. Participants will also need to complete an entire [ECHO learning project](#).

### How do I submit my application and supporting documents?

Applications and supporting documents can be submitted digitally through the application link on the [IN-SLRP webpage](#). If technical difficulties arise, contact the [IN-SLRP team](#).
